Better than a bandage.

*You look like you could use a bottle
of wine, so here I am. I'm here
completely and only for you. You
can whine if you want. I'll try to
console you. Or you can just cry.
That's cool. I'm made for quaffing.*

*Life can be a pain. Trust me, I know.
I've been stepped on — walked all
over, in fact. I've been squeezed dry
and put in a barrel. Believe me
when I say we'll get through this —
whatever this is — together.*
